## Environmental Assessments Through The North Shore Corridor

By Rosalind Russell - Whitefish River First Nation is partnering with nine other North Shore Corridor First Nations of the Wassmoowin Energy Incorporated to carry out environmental assessments along the transmission lines. Project Engagement Coordinator, Michael Jacko, says the partners came together Friday, October 25 for a Water Ceremony at the boat launch in Espanola to ask the Water and Aquatic

# Anishinabe Spiritual Centre up for sale

**By Rosalind Russell** - The Jesuits of Canada have announced plans to give up two properties -- the Anishinabe Spiritual Centre on Lake Anderson, located just south of Espanola and Villa Loyola in Sudbury. According to the news release, the Jesuits are willing to engage with those who may be interested ahead of a decision deadline of January 31st, 2025. Father Jeffrey S. Burwell says after three years of study, the decision was made for the order to focus its efforts on supporting existing Catholic parishes across the North. He says the order had to acknowledge their limitations regarding resources and reduced personnel.

Father Burwell adds the order wants to sell the properties by the end of July of next year at the latest. Villa Loyola was built in 1962 on 12 acres of land on the south shore of Long Lake and includes three conference/seminar rooms, two dining rooms, 27 carpeted bedrooms (single or double), each equipped with a private bathroom, a chapel and a specialized library/consultation room. The Anishinabe Spiritual Centre, on property off Anderson Lake just south of Espanola, includes cabins, a chapel, a dormitory, a meeting room, a dining room and kitchen, as well as a gift shop. ## Environmental Assessments Through The North Shore Corridor

Spirits permission to do Environmental Assessments through areas on the Hydro One Transmission Line Projects (Northeast and Northshore Link). He says the gathering also included members from Atkin Realis (Environmental Consultants) and Archeology Service Incorporated as well as members of the wider public. Jacko adds the Group is a part of 50/50 equity stake for the Northshore and Northshore Link Projects with

the assessments getting underway for upgrades to the lines set for 2027. The member First Nations include White River First Nation, Batchewana First Nation, Garden River First Nation, Thessalon First Nation, Mississauga First Nation, Serpent River First Nation, Sagamok First Nation, Whitefish River First Nation, Atikameksheng First Nation and Wahnapatay First Nation. ## Trojan Horse Visit To Espanola Highlights Privatization Concerns Of Health Care

By Rosalind Russell - Despite heavy rain last Friday, the "Trojan Horse" made its way to Espanola to highlight union concerns about the privatization of health care in Ontario. Ontario Council of Hospital Unions First Vice President Kevin Cook says the giant wooden horse is a metaphor for the government's privatization policy, which he says is presented as a gift, but could be the downfall of health care in the province.

He says the Ford government says private clinics will reduce wait-times, but he believes it has created a two-tier system where people with money can get immediate care and the waiting lists continue. Cook is also concerned the private operations are pulling away staff that is needed in public hospitals worsening the staffing crisis that is occurring. He adds the union will be continuing its tour throughout the northeast to share information and highlight the importance of the issue to the wider public. David Tremblay, the CUPE Vice President for Northeastern Ontario, who is employed at Health Sciences North, concurs with Cook adding the private, for-profit clinics are unaffordable. He adds the strategy of privatizing health care is a dangerous precedent and the unions will continue to fight to prevent it from becoming the new normal in Ontario. Photos by Rosalind Russell

## North Shore Search And Rescue Receives Approval For Fundraiser

**By Rosalind Russell** - Espanola council has given its unanimous support to a local group to host a voluntary road toll. As the Community Services Committee recommended, the council will permit the North Shore Search and Rescue to hold a voluntary road toll on November 16, 2024, from 9 am to 5 pm.

The toll will be held between the entrance of Home Hardware and the entrance to Canadian Tire on Highway Six so motorists can choose to donate to the organization. The unit receives no government support, so all funds raised go towards insurance, training, equipment, travel and related costs.

## Affordable Housing Project On Schedule For Early Spring Opening

**By Rosalind Russell** - The Manitoulin-Sudbury District Services Board project for a new ten-unit building in Espanola is moving forward on schedule. According to the DSSAB, the single-level, 10-unit building being built at the intersection of Queensway Avenue and Mead Boulevard is expected to be completed next year. The social service has a waiting list of 270 individuals and/or families: 127 applicants are looking for a one-bedroom, 60

regardless of their age. The building will exclusively have one-bedroom apartments and be owned and operated as geared-to-income housing by the agency. For further information contact the MSDSB Community Housing Services Dept. at 705-862-7080 or 1-800-847-6342 M-F (8:30 a.m. to 4:30 p.m.) or visit the office at 207 Mead Blvd. in Espanola.

## Hughes Receives Complaints About Flyers Claiming Government Money For Medical Conditions

**By Rosalind Russell** - Households around Algoma-Manitoulin-Kapuskasing have been receiving mail from a private company who claim the public can receive up to \$50,000 from the Government of Canada, but NDP MP Carol Hughes is warning constituents that this mailing is not from the federal or provincial governments. Hughes says constituents have been contacting her offices with concerns about flyers from a company called Ontario Benefits, adding, while light on details, the flyer indicates people can get money from the feds for having several medical conditions. Hughes warns neither level of government would send people a unilingual flyer telling them they can get paid for their medical condition, and she's warning people not to provide questionable organizations with

personal information. Hughes adds she can't say for certain what sort of services, if any, this company provides, and even if they are operating legally, police organizations have already issued warnings about it. She says if individuals have questions about qualifying for government benefits, they can call her office to get the correct links for services they may need. Hughes says it is unclear who runs Ontario Benefits, but the flyer lists several medical conditions, such as ADHD, cancer, and irritable bowels, and states people of all ages and medical conditions can qualify. It asks people to call a toll-free number for more information, or text another number with your name and mailing address for an "information package." It also lists a website that has very little information on it.

## OBITUARY

With sadness the family of **Leslie (Owen)** announce his peaceful passing, surrounded by love, at the Espanola Regional Hospital on October 18, 2024. Predeceased by his beloved wife Bennie (Margaret Isabel Benedict) (July 30, 2021) after 69 years of marriage. Together they raised 4 children who will forever live in gratitude for the time they had them. Cherished Dad to Susan (Tony), Thomas, Sandra and Marlene (Kelly). Predeceased by infant son Kenneth (1955). Adored Papa to

Rebecca, Ryan (Amanda), Liz (Landon) and David (Carly). Loved and remembered by great grandchildren Brooke, Taylor, Lauryn, Lleyton and Emery. Also remembered by many nieces and nephews and extended family. Dad was born in 1928 in Hamilton, Ontario to Efrosina and John Owen. He was the youngest of 6 children (all pre-deceased). Mom and Dad raised us kids at Community Beach by the shore of Lake Ontario in Stoney Creek. It was a great place to raise a family...the lake, a skating pond and a huge field for adventures. Dad loved the outdoors and was always happiest puttering outside. In 1976 they moved north and landed in White River, Ontario where they ran the White River Freezer and Trading Post for many years. Dad also had a trap line and trapped well into his 90s. We all carry happy memories of time spent with Dad/Papa at "the cabin". In 2021 they left White River for Espanola. Dad, some days we'll be strong, some days we'll be weak, some days we'll be so broken we can barely speak but the light and love you and Mom leave us will fill our hearts and hold us up. A celebration of life will be held at a later date. The family would like to thank Dr. Alison McMillan and staff at Espanola Regional hospital for their kindness and care. Thanks also to Dad's PSW, Sylvie. "In the sweet by and by we shall meet on that beautiful shore". Cremation services provided by Simple Wishes of the North, Sudbury.

**FOX - Trevor Sly** and the love of his life Nicole Eshkakogan wish to transcend hope, courage, strength in memory of his good ways, consideration and care for others, and to smile as you remember his stories, charming sarcasm and hysterical humor—and to laugh loud and mighty with all your heart to help him on his next journey. Sly is survived by his parents Donna Marie and Paul Daniel Fox. Sly is father to precious daughters he is so forever proud of, who walk in beauty and strength—Shailyn

(Austin), who he lovingly called Miss Waags, and his baby girl Tierney he named My Baby Sharks. Sly is also survived by his sisters Stacy, Danielle, Zoey, and brother Joseph (Teri), and is now with his sister Josette Baa. Uncle to Sky, Danielle, Sarah, Phoenix, Rosemary, Mica, Joe Daniel, Imma, Charlotte, and Alyna. Special father to Brianna, Starman, and Chas. Special grandfather, to Kulez and Raiden (he called Binky Eater). Coolest nephew of the Fox and Kanasawe families of Wikwemkong. All of his aunts and uncles send their love to his many cousins and friends. Sly loved this beautiful territory where he was raised, lived, hunted and fished. He called it God's Country, and he loves all of you, and knows he is forever loved by a world of family and friends across Turtle Island. Family and friends were invited to meet at the Pavilion on Sagamok Road (just after Massey Bridge) at (9:45 am on Saturday, October 26th, to travel with Sly for visitation at the New Sagamok Community Hall, 5507 Star Road. His daughters invited everyone to attend and bring their best Nish Dish for a potluck dinner at 5:00 p.m. On Sunday, October 27th, Sly journeyed to Buzwah Church (Saint Ignatius), 2525 Wikwemikong Way, Wikwemikong, Ontario, for visitation at 12:00 p.m. Funeral Service was Monday October 28th at 11:00 a.m. in the Buzwah Church with cremation to follow. Arrangements by BOURCIER FUNERAL HOME Ltd, Espanola.
